WELCOME

FROM THE DIRECTOR

Hello and welcome to ShowBiz Performing Arts Studios,

We are so excited to have you join our family in 2027. Our beautiful, updated facilities, exceptional faculty and stellar reputation in the local community allows you to put your trust in us to educate and develop your most prized possession, your children. All our staff have working with children checks, years of dance teaching experience and first aid qualifications.

ShowBiz is a place where anyone and everyone can come and be their true selves. Where they can thrive in a friendly, inviting and family atmosphere. Lifelong friendships are made at ShowBiz and over the years we have seen our students enter the doors as pre schoolers and still walk through the doors year after year, eventually driving themselves to classes each week.
This is a testament to our wonderful faculty who nurture and educate our students to bring out the best in them, to show all their colours and always reach for their goals and ambitions.

At ShowBiz, we are community. We are called upon frequently to participate in Melbourne's most beloved community events including many years of Moomba and Royal Melbourne Show performances along with giving back to our local schools at their fetes and festivals.

2026 was exceptional. Fantastic enrolment and retention rates, over 70 classes conducted each week and students progressing through and experiencing lots of styles of dance to present one of our greatest end of year showcases we have ever seen.

We have grown to a capacity of needing five competition teams, which is so exciting. We look forward to all the exciting events we have planned for 2027 including our much anticipated inaugural tour to the USA to dance at Disneyland and Universal Studios as well as other exciting tours, our mid year musical in term 3 and our annual concerts already booked for 6th & 7th November.

I cannot wait to see how far you all come in 2027
Together let's make it the year to grow and shine!

See you all at the BIZ!

ACROBATICS ENROLMENT INFORMATION

ACROBATICS PROGRAM & LEVEL REQUIREMENTS

Our Acrobatics Program is designed to safely and progressively build strength, flexibility, balance, tumbling skills, and performance quality. Acrobatics levels are not determined by age or years of experience, but by the skills each student can confidently and consistently demonstrate. This ensures every dancer learns in an environment that is both safe and developmentally appropriate. For safety and quality of learning, all acrobatics classes are capped at a maximum of 18 enrolled students.

ACROBATICS CLASS PLACEMENT

All acrobatics class placements are determined by our qualified acrobatics teachers. They assess each student's demonstrated skills, technique, strength, and readiness to ensure your child is placed in the correct level for their growth and safety. Students may be moved to the next level or offered recommendations for progression based on the teacher's professional expertise and understanding of safe acro development. For safety reasons, placement is never based on age, friendship groups, or the length of time a student has been dancing.

ACROBATICS COMPETITION CLASSES (INVITE ONLY)

Our Acro Competition classes are invite-only and designed for selected students who demonstrate strong technique, control, performance quality, and a consistent commitment to training.
Selection is based on a combination of:
· Skill level · Technical readiness · Strength and body control · Dance ability and performance quality
· Safe execution of required tumbling elements · Age suitability for competition divisions
These classes focus on polished performance routines, advanced partnering work, and high-level tumbling appropriate for competitions.
Invitations are reviewed annually to ensure each student remains in the class best suited to their growth, confidence, and safety.

2027 COMPETITION TEAMS

The ShowBiz Performing Arts Studios 2027 Competition Teams are designed for dancers who are ready to take their training and performance to the next level. These teams represent the highest standard of commitment, teamwork, and artistry within the studio, performing at major competitions and community events across Victoria. Dancers selected for our elite program embody the ShowBiz values of discipline, determination, and creativity — striving for excellence both in and out of the studio.

Each skill based crew trains together weekly in specialised competition classes focused on choreography, performance, and stage presence. Members also receive unlimited access to all recreational and examination classes, ensuring they can continue developing across multiple dance styles without additional cost. Our capped-fee structure makes it possible for passionate students to train more frequently, build stronger technique, and experience the full breadth of ShowBiz's training opportunities.

As part of their development, all competition team members are encouraged to enrol in ballet to refine control, posture, and artistry, and in jazz and technique classes to enhance flexibility, precision, and musicality. In 2027, dancers can also add Acro to their timetable at no extra cost, building strength, agility, and versatility — skills that have become increasingly valuable in today's competitive dance landscape.

Throughout the year, teams will participate in approximately three to four group competitions, gaining valuable stage experience, confidence, and exposure to professional adjudication. They'll also have opportunities to perform at major events including Moomba 2027 and the Melbourne Royal Show, as well as in ShowBiz's own annual concerts and showcases. Competition team dancers receive priority access and a 10% discount to our mid-year musical, and enjoy first access to private coaching at standard studio rates.

Members of the Elite Competition Teams are held to a high standard of commitment. A minimum 90% attendance rateis required, and attendance at all competitions is mandatory to preserve the integrity of the choreography and team unity. Dancers are also expected to uphold professional presentation standards — wearing their official ShowBiz Competition Crew Jacket, all-black attire to all classes and rehearsals, and maintaining neat hair, no excessive jewellery, and a professional appearance. Uniform and presentation are seen as reflections of discipline, pride, and leadership within the ShowBiz community.
